Nature of Complaint:

Commissioner,

The bottom line is that deconsolidation of the Anthem/Agua Fria wastewater district is the right thing to do under the current model for private water/wastewater systems in Arizona. It returns our service to what is "just and reasonable." To not deconsolidate is to go against the principles that the Commission has advocated and would result in different and unfair treatment for Anthem ratepayers.

Nature of Complaint:

I will keep it short and sweet.

I strongly urge you to deconsolidate the Anthem district from the Agua Fria district. My bill is triple what it was when I moved to Anthem eight years ago. Another large increase will put me into a position of selling the house (If that will even be possible when prospective buyers find out it will cost them \$200 a month even if they use water sparingly).

Regardless of the number of letter you receive, there are many others in my position.

Thank You,

Dave Harris
